White Space and Minimum Size

Each version of our logo is designed to be clearly readable down to a minimum size. Do not use any of the logos smaller than the minimum size listed below. Whichever version of our logo you decide to use, we ask that you provide a minimum border of white space around it to keep it clearly separated from any other content that appears nearby. The size of the border is one-half of the total logo height.

$$\frac{x}{2} = \text{Minimum Clear Space}$$

No smaller than 75 pixels width
